HAPPY NEW YEAR

This week by Mr. Dipple

Happy New Year!

With Christmas now behind us we are looking forward to an exciting 2018. I would like you to support us with a few 'New Year's Resolutions'.

Water Bottles

Please give your child a water bottle to bring every day to school. We no longer want to use the single use plastic cups which are so damaging to the environment. We have drinking water in school with which your child can top up their bottles throughout the day.

Uniform

Thank you for supporting our school uniform policy. We are having a real drive to eradicate the problem of lost property in school. Please ensure every item of your child's uniform is **clearly labelled**. If your child accidentally brings someone else's jumper or coat home, please bring it back the day after so we can reunite it with its owner. We are doing all we can to make sure your children take responsibility for their own things while they are in school.

We are fully stocked with uniform if any pupils have had a growing spurt over the Christmas break!!

Health and Safety

Please park carefully and considerately on the road outside school. Do not block resident's drives or the police will be informed. Please use the pedestrian gate, **not the car park gate** to enter and leave the school site. This is for you and your child's safety.

Snowdome Trip – Monday

Class 2 have their trip to the Snowdome on Monday. All pupils need to wear waterproof clothing and bring their disposable packed lunch with them.

Blists Hill Trip – Wednesday

Class 3 have their trip to Blists Hill Victorian Town on Wednesday next week. Pupils will need to be in smart uniform with a coat and their disposable packed lunch.

Pirates V Mermaids

Class 1 and 2 start their Performing Arts lessons next week with Mrs Carthy on Thursday afternoons. All children with a script need to make sure they have it with them in school for Thursday each week. Children will wear school uniform to rehearse in.

Forest School

Forest School starts again next Thursday (11th January). This term it will be Class 3 taking part in Forest School. Please ensure your child has warm waterproof clothing and wellies. We are still looking for donations of wellies size 1 – 6 if you have any old ones in your garage or shed!

The next swimming block is after February half term and will involve Class 1 and 2.
