GDPR email – update preferences

Last week, all parents and friends of the school will have received an email from us asking for you to update your preferences on mailchimp – our software that we use to send out our weekly newsletter. Not everyone on our list has opened the email. Please can you check back through your emails and update your details. **This must be done for us to comply with the new GDPR rules and to keep contacting you via email.** If you would like the email to be resent to you – or to a new email address – please let Mrs Carthy know in the office.

Care in the sunshine

As the weather warms up and the beautiful sunshine appears please can we ask all parents to make sure that all pupils have a sun hat with them and if necessary sun cream. The sun cream has to be applied by the children themselves under the supervision of an adult.

Water Bottles

Please send the children in with a water bottle. In the warm weather it is even more important to keep hydrated. If the children could bring in their own bottle and refill it here as needed it would help us conserve our drinking water supply. Please make sure their bottles are clearly named.

Class One Request

Miss Dallow would like to ask for some donations for class 1 for their jungle themed work. If you have any of the following she would be most grateful;

- New Black Socks – for hand puppets
- Jungle cuddly toy animals – for display only and these will be returned to you.
- Any cameo/army clothes for dress up – must be children's sizes.

PTFA – Raffle Request

The PTFA are appealing for raffle prizes for their summer fayre this year on Sat 7th July.

Any donations most welcome – please bring to the school office.

PTFA – Stall Holders

There are a few places left for stall holders at the summer fayre this year. If you would like to have a stall please contact either the school office or a member of the PTFA.

Swimming and Forest School – by Mr Dipple.

After half term (7 weeks), Class 1 (including Nursery) and Year 6 will go swimming, with Class 2 doing 4 weeks of Forest School and the last 3 weeks of the term will be forest school for Y4 and 5.

Please can we remind parents that boys should not be wearing beach/long style shorts for swimming. Class 1 can wear comfortable, appropriate attire for forest school on Thursdays – e.g. jogging bottoms/tracksuit etc.

Mobile Phones/Cameras

Please can all families and friends of the school be aware that photographs should not be taken on the playground using mobile phones. This is a very serious safeguarding issue and anyone caught doing this may be asked to meet with the Headteacher to discuss.

Hot Dinners from September

In April 2018 hot dinner charges from the county council increased again. However, All Saints have decided to waive that additional cost for the rest of this term – as we were not notified about the change until after the Easter holidays. However, this does mean that from **September 2018 – the price for a paid school meal will increase to £2.30.**

We are sorry for any inconvenience caused.

Appeal for sheets and shirts

We are appealing for old bed sheets for our display boards. If you have any clean sheets that you would like to donate to school we would be most grateful.

We are also looking for men's/women's shirts which can be worn as painting overalls for Classes 2 and 3. Please leave any donations in the school office. Thank you.

How to protect personal data on Facebook

Recent media attention has led to growing concern amongst Facebook users that, potentially, the personal information of thousands of users has been shared with third-party applications without users' explicit knowledge. But it is possible to take access away from these app developers or modify what they can see about you. You may expect to find this option under Privacy or Security settings, but this isn't the case. To help, we have created an easily-downloadable PDF, which offers the lowdown on how to protect personal data. If you would like this emailing to you – please let Mrs Carthy know.
