The children will be taking part in various activities throughout the day.

### **Music Lessons – by Mr Mellor**

It is a real pleasure to be back at All Saints' at the start of a new and exciting academic year. We have lots of exciting musical activities planned this year, many of which we have already started, including; school choir, class music lessons with every child learning the Ukulele, small group singing and music lessons, and some very interesting performance opportunities for these groups. A letter is coming out with this newsletter with information regarding the school choir and individual and small group singing and instrument letters. Do get in touch via the contact details on there if you would like to discuss further or express interest for your child to join.

### **Mobile Phones/Cameras**

Please can all families and friends of the school be aware that photographs should not be taken on the playground using mobile phones. This is a very serious safeguarding issue and anyone caught doing this may be asked to meet with the Headteacher to discuss.

**If you do not receive this newsletter via email and would like to – please see Miss Ray in the school office**
